Indoor and Outdoor Session - \$299 check out what this includes! \$100 reserves your date for morning or evening session and is applied to the session price.

Optional: Makeup by Natalie Nahass Henry. Please ask for pricing.

This is a 3 hour session that includes:

- ◇ **Yearbook Picture, headshots, waist up, and full height indoor poses, outdoor locations of your choice and mine.**
Outdoor sessions will be early in the morning or late in the evening.
- ◇ **Two poses of your choice for Web sized photograph (for facebook twitter, etc..)**
- ◇ **You will have about 40 image selections. Only pictures that you end up selecting for print will be edited. High end editing can be very time consuming. It is not uncommon to spend 5 hours on a single picture.**
- ◇ **Private Online Gallery so even long distant relatives can see images for ordering.**

I'm not one of the assembly line shooters; I take my time to get the shot right.

Strobes are used during indoor sessions and are often used during outdoor sessions when it will greatly improve the image taken. You are allowed unlimited clothing changes during a 3 hour shoot.
